

Menina d'Uva Palomba 2021

There used to be many vineyards in the region, but most of them have fallen into disrepair over time. This wine comes from a few remaining plots, cultivated with a blend of native varieties. This is a red wine from different plots between 40 to 60 years old, cultivated in schist soils. Deep red, dense in purple color, with texture and soft tannins. Aline Domingues, Uva's girl (Menina), resolutely takes a 100% natural approach and, with only her third crop, delivers fireworks straight away!
