

Nossa Calcario Tinto 2022

We had to wait 2 years for a new year. Due to a water shortage, rabbits ran off with all the grapes from the 2020 harvest. But now Filipa and William's highly coveted red wine is back. We only have 300 bottles. Secure your allocation and also enjoy pre-emption rights next year. Nossa Calcario Tinto comes from very old sticks of the local Baga grape, which is sometimes compared to Nebbiolo and Pinot. The biodynamic cultivation of the grapes and the careful vinification results in a wine full of finesse and complexity.
