

Terrenus tinto 2018

The old vineyards, unique in their kind, are planted with no less than 15 different grape varieties. This makes harvesting difficult and ensures that the composition varies slightly each year according to the maturity of the different varieties. With the name "Terrenus", Rui clearly claims a "terroir" and anyone who tastes this wine of character will notice that there is nothing exaggerated about it. The old vines and the altitude of the vineyard give a wine with a lot of depth. Limited production of 3000 bottles. The aromas are rich and complex. This wine balanced with smooth tannins, fine and a persistent length of flavour.
