

## Blandy's Boal 2008

Boal also written as Bual creates a semi-sweet wine. Most vineyards can be found in Calheta and Camara de lobos with +/- 18 hectares planted. It is one of the easiest grapes because its sweetness makes the wine more accessible.

Blandy's Flagship of the Madeira Wine Company. Indeed, the MWC includes well-known brands such as Blandy's, Leacock's, Cossart Gordon, Miles and others. Because of this grouping of names, the company owns an impressive stock of aged wines. They invariably have a soft and round character with great accessibility for the general public, but also with a nice depth and harmony in the wine.
